## MAHUKA PAPERS FILED TODAY

### Error In Abstract Holds Things Up For Short Time

The final papers in the condemnation suit with regard to the Mahuka site for a Federal building will probably be filed this afternoon. This was the statement made by Attorney General Hemenway this morning. U. S. District Attorney Breckons also stated that as soon as the condemnation proceedings were placed on file for the street, he would file his papers with regard to the property.

A peculiar proposition in reference to the abstract came up this morning, or rather was discovered this morning, when it was found that there was an error in the original abstract turned in by the Waterhouse Trust Company. A part of the land which will be condemned for the site was noted in the abstract as being owned by the Ehlers brothers, who are in Germany. It was discovered this morning that William Pfotenbauer held the true legal title as trustee for them, and the abstract will be altered accordingly.

Governor Peary has requested Hemenway to cable him as soon as anything definite is done concerning the building site.

The report to be filed this afternoon, if arrangements can be made whereby it will be filed, will be a supplemental report. As soon as Attorney General Hemenway has filed his papers, U. S. District Attorney Breckons will also place his on file.

#### DENIES "NEGLECT"

(Continued from Page 1)

on the voyage, and, unattended, tossed in the pain and delirium of the deadly and fatal disease. The morning paper story is a general misrepresentation of the steamer people.

His statement, made publicly and officially, is:

Honolulu, April 22, 1908.

I was called to attend Mrs. Dora Kassebeer, a steamer passenger on S. S. Alameda, April 15, 1908.

Found her suffering from pneumonia with a high temperature and a weak pulse.

She was removed from the steerage to a cabin stateroom, where she received the best of attention as far as medicine and diet were concerned and was not neglected.

The steamer was visited daily by the commander, steward and myself.

Mrs. Kassebeer never complained of being ill.—In fact her sickness was reported by another steamer passenger,—and she received attention immediately.

On the morning of April 15, 1908, Mrs. Kassebeer was dressed up and about going out to the baggage room to get some clothing out of her trunk.

She missed her husband at the dock, as he came down did not see her on the deck of the steamer, he went away without inquiring whether she was aboard or not.

I succeeded in an hour in locating him at the "Majestic" and he came down to the ship at once.

He wanted to remove his wife to the hotel and I told him that was out of the question, and to see a physician at once.

In about an hour, Doctor Hodgins came down, made an examination, and she was removed from the vessel on a stretcher and put into an ambulance and sent to a sanitarium.

G. W. CLARK,

Surgeon.  
Not only in this way was Mrs. Kassebeer cared for, but she neglected her baggage at San Francisco, and the purser attended to the details for her, even paying the expressman, when Mrs. Kassebeer was not present to claim her trunk, allowing her to reimburse him when the steamer had sailed.

## WANTS COMPETITOR FOR YACHT HAWAII

### McInerney To Be In Touch With Berry, Owner Of Nixie

W. H. McInerney of this city is now trying to get in communication with Admiral Patton G. Berry of Fresno, Calif., owner and master of the yacht Nixie, with the hope of getting Berry in on the Trans-Pacific Race, in which the Hawaii will be the local entry. This is not the first time that Mr. McInerney has made to get Berry to enter the Nixie, but it is hoped that this trial will be successful.

Though the Nixie is an old boat, it is felt that she would be a fine addition to the race, if entered.

#### BENEFIT DANCE FOR YACHT

A benefit concert and dance of a pretty and picturesque character is to be given in Lusitania hall, a week from next Saturday, by the local Portuguese, for the yacht Hawaii. A fine program has been prepared.

The children of the de Paiva school will be present in force and will play a number of choruses in Portuguese. There will also be some fine dancing.

Before the entertainment commences there will be a band concert in the yard of the hall by the Portuguese band. The music for the dancing will be furnished by one of the best of the local quintets.

The affair promises to be most enjoyable and should result in a handsome balance being turned over to the Trans-Pacific yacht fund.

The president of the committee having the affair in hand is V. Fernandez Jr., and A. D. Castro is secretary and treasurer.

#### MATCH RACE SATURDAY

A match race which will keep the dopsters figuring, and which is far from easy to map out, will be run off at Kapolani Park Saturday afternoon at 4:30 o'clock, when Shamrock, owned by E. H. Lewis, and Lusitania, lately known as Exchange Five, will go three-eighths of a mile. Mallet won out from Shamrock recently, in a trial, with a Japanese boy up on the loser, while Lusitania was beaten by Candy Boy, who has also gone down to defeat before Mallet.

As Shamrock, in the recent trial, came in rather far behind Mallet, past performances fail to give a very direct line on the horses, and it is expected that the race will be close.

#### OUTRIGGER CLUB FRIDAY

A meeting of persons interested in organizing the Outrigger Club will be held next Friday afternoon at the rooms of the Promotion Committee, for the purpose of completing the organization of the body.

Fred. D. Fisher, American Consul at Harbin, has refused to recognize Russia's jurisdiction in Manchuria, and his attitude is disturbing the Russian Government. Mr. Fisher insists he is accredited to China and has nothing to do with Russia.

## WAR IS DECLARED!

The Citizens' Health Committee has declared war against the rat in the following bulletin:

"It is incumbent upon  
"all to wage a relentless  
"war on the rat, the  
"source and breeder of  
"the plague."

Even if you do not think there are rats on your premises, you should use Stearns' Electric Rat and Roach Paste, for rats travel all over the city and are liable to camp with you if your premises are not protected by Stearns' Electric Paste.

This reliable exterminator is sure death to all rats and usually kills them off in a single night. It is the best weapon in the war against rats, and every citizen should use it and protect our city.
